PRODUCING
FEASIBILITY PLANS

04

05

RECEIVE PLANS WITHIN
14 DAYS AND MAKE ANY
AMENDMENTS

***Planning drawings** are catered to the **council's** requirements and specify the **external** features of the build (Walls, Doors, Windows, Roof Type) and show an **indicative** internal layout of the build.

SUBMIT PLANS TO COUNCIL
(If planning permission is required)

06

***Building Regulation Drawings** contain all the relevant **detailed** information for the builder to make the project **'up to code'** and assist Building Control in the approval of the project.
