

Home Extension

Where to start

Extending your home is a popular way to **increase space** and **add value** to your property. With the struggle and costs of shifting – from legal fees to stamp duty – the reasons to stay put and upgrade your existing home soon escalate.

Calculate a **rough cost**:

- A. Calculate floor area
- B. Multiply this area by the given rate in the table for the required project.
- C. If you desire an extra feature such as a kitchen add the additional indicative prices to your cost.

e.g. for a single storey extension:

$$10 \times 1600 = \text{£}16,000$$

Indicative prices for Extras (Supply)	
Kitchen	£8,000
Bathroom	£4,000
Bi-folding doors	£3,000
Roof Lantern.	£2,000

Single Storey	£1,600
Double Storey	£2,200
Loft Conversion	£1,300
Garage Conversion	£900

Move onto building your dream extension!

Benefits to **extend**:

- Stay where you love 
- Increase the value of your home 
- Modernise 
- Get a bespoke design 
- Enjoy more living space
